

# CLEAN COTTON

A powerful bactericidal deodoriser with a Clean Cotton fragrance.

Effectively removes odours and kills a wide range of germs (gram negative and gram positive) caused by pets, smoke, food, urine, faeces and vomit etc. Safe on all carpets, fabrics and furnishings that can be wet cleaned.

## PRECAUTIONS FOR USE

Clean Cotton is for professional and industrial use only. Safety data sheet available on request. Wear suitable protective clothing as depicted in safety data sheet. Use common sense precautions when handling chemicals. Avoid contact with skin and eyes. Test area where product is to be applied, for colour fastness. In case of contact, wash chemicals from eyes and skin immediately with plenty of water and seek medical advice. If ingested drink plenty of milk or water and seek medical advice. Keep all products out of reach of children.

## DIRECTIONS

Remove and absorb (clean) excess spillages from area needing treatment. Dilute 10ml Clean Cotton per litre of water, or use neat according to intensity of odour/spillage. Clean Cotton can be applied using an injection extraction cleaning machine, mopping system or a sprayer. Clean Cotton must come into full contact with the source of the odour to be able to eradicate the odour/germs. Extreme cases may require more than one treatment.

## CLASSIFICATION

Aqueous solution pH 6.75

Size: 5L  
Product Code: 0086
